HOMECOMING BEING CONSIDERED

Remembering a long-standing tradition in high schools and colleges in the area, may become a tradition at Rappahannock High School as well. The decision to develop a homecoming program for next year may be reached soon.

Mr. O'Hall plans to put together a committee of students and teachers from various schools in the area and the Principals Advisory Council. The committee would begin the planning to plan the activities which will include most of the traditional homecoming activities.

Mr. O'Hall also expressed interest over the amount of work involved in putting together such a large scale project. He said that the committee would begin the planning to plan the activities which will include most of the traditional homecoming activities.

SENIOR PROM 1986

IF ONLY FOR ONE NIGHT

Let me hold you tight, if only for one night
Let me keep you near to ease away your fears
It would be so nice if only for one night

I won't tell a soul, no one has to know
If you want to be totally discrete
I'll be at your side, if only for one night

Your eyes say things I never hear from you
And my knees are shaking too
But I'm willing, willing to go through
I must be crazy standing in this place
And I'm feeling no disgrace for asking

Let me take you home
To keep you safe and warm
'Til the early dawn, or until the sun
It would be so nice, if only for one night

Ode to Seniors

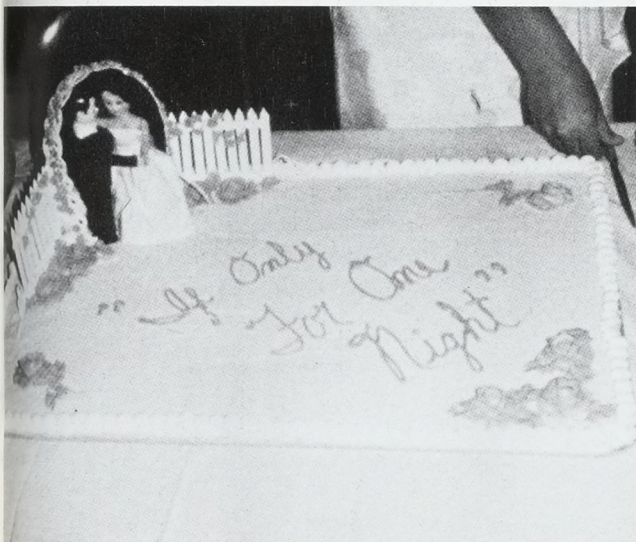

We pay special tribute to the 1986 graduating class.
May your memories of this prom night continue to last.

Treasure your years of high school fun,
But realize that a new phase of life has begun.
The friendships you've made have really been swell,
But soon we must part and say farewell.

This is your prom; We dedicate the night to you.
We earnestly hope all your dreams will come true.
Look to the stars that shine from above,
And remember this night with a feeling of love.
The stars that shine in the sky so bright
Urge you to be happy "If Only For One Night."

We wish you the best that the future can bring.
May you always find that you've a song to sing.
Follow your dreams wherever they lead,
And decide that you're going to succeed.
Make sure you give your best efforts to life
And enjoy it as you have this
"Your Special Night."
